2) Double Zip Gear Bag

- Pattern is Double Zip Gear Bag 2.0 by Annie available at Tomorrow's Treasurers

- Purchase all fabric and notions per the back of the pattern for your chosen size, except for the following:
 - Zippers, if you choose to use zippers by the yard one package of zippers by the yard will do multiple bags.
 - Store sample bag does not have the hook-and loop (Velcro) fastener. I used one sew in magnetic.
 - Bring all leftover extra fabric to class
 - Ribbons to match for 2 zipper pulls instead of coordinating fabric

3) Pre-Work Required,

- Section I - Cut and quilt all pieces as listed on page 2 and 3 of the pattern (See pages 12-14 of the pattern for labels)
- Cut the bias binding either using the method listed in the pattern on page 4 or use your favorite bias binding cutting method. Please sew all pieces of bias binding together. Store sample uses 2 ¼" wide.
- It is very helpful to mark your pieces as you cut them, use the printed labels on page 12-14. Using the labels also helps in picking your main, lining, and coordinating fabrics for the bag and will be necessary to correctly place your pockets later.
- If using fabric for the double zipper pulls (as in the store sample) cut your chosen fabric based on your chosen size (see the top of page 4, item 3. for the correct length.
- Trace the 4 ½", 3 ½" and 2 ½" circle from the pattern instructions
- **DONOT round any corners before class.**
