

# Scan N Cut

## June 19, 2025

### Supplies

This is the supply list for the ScanNCut club. Please bring to class:

- ScanNCut Machine
- 12 by 12 Standard Mat
- Regular blade
- USB Stick
- 12 by 12 inch piece of HTV (heat transfer vinyl)
- T-Shirt or tea towel

We will be making a T-shirt or tea towel with an offset around text. We will also discuss how an offset can aid with weeding.

Call me if you have any questions.
