2) Pucker-Up Tote

- Pattern Pucker-Up Tote by Bodobo Bags available at Tomorrow's Treasurers
- Purchase all fabric and notions per the back of the pattern based on your chosen size, except for the following:
 - Zippers - if you choose to put a zipper pocket on the inside I recommend you use a sport zipper, not a standard zipper
 - If you are using cork for the bottom or any portion on the tote you will still need the same amount of fusible interfacing listed on the pattern. If you are using vinyl for the entire exterior of

the tote you may eliminate the interfacing for the exterior.
