

**Tomorrow's Treasurers
Room with a View Cube
Supply List Required Before Class**

1) Basic sewing supplies:

- Sharp Fabric Scissors, blade at least 4" long
- Strong straight Pins long yellow -topped quilting pins and 1 ¼" thin strong metal pins
- Tap Measure 60" long, plastic, not cloth
- Metal seam guide 5-6" long
- Seam Ripper
- Thread to match your fabrics
- Standard foot, Teflon foot, zipper foot for your sewing machine
- Erasable/water soluble Fabric Marker or chalk marker
- Wonder Clips (if available bring multiple sizes from small to large)
- Stiletto or Awl
- 90/14 Topstitch sewing machine needles, you may need 2-4 for class
- Mini Iron with pressing mat
- Ruler 24"
- Bring all leftover fabrics
- Bobbin and turning tool for handle and strap cover (suggest, Quick Turn Fabric Tube Turning Tool)
- Sewing Machine

NOTE: Key decisions to make before class:

- Store samples fabric is coated with Odif OdiCoat which gives the fabric an oil cloth effect. When using OdiCoat allow extra prework time for drying of fabric
- Bias binding is mostly used to bind the inside and outside of the bag. Consider using the main fabric or another coordinating fabric similar to the store samples.

2) Room with a View Cube

- Pattern is Room with a View by Annie available at Tomorrow's Treasurers

- Purchase all fabric and notions per the back of the pattern for your chosen size, except for the following:
 - Consider using ribbons to match for zipper pulls instead of coordinating fabric
 - Store samples, 12mm vinyl is used, available at Tomorrow's Treasures
 - Store samples are large and medium, chose your cube size

3) Pre-Work Required,

- Section I & II - Cut (when using Odicoat on fabric cut all fabric pieces 1" larger to allow for fabric shrinkage, coat prior to quilting, once dry recut to pattern measurements) and quilt all pieces as listed on page 2 and 3 of the pattern stop at Section III. (See page 11 of the pattern for labels) When using Odicoat allow additional time to coat fabric pieces plus drying time (about 24 hours)
- Cut the bias binding either using the method listed in the pattern on page 1-2 or use your favorite bias binding cutting method. Please sew all pieces of bias binding together. Store sample uses 2 ¼" wide.
- It is very helpful to mark your pieces as you cut them, use the printed labels on page 11. Using the labels also helps in picking your main, lining, and coordinating fabrics for the cube.
- Trace the 2 ½" circle from the pattern instructions
- **DONOT round any corners before class.**
- Consider doing the following before class:
 - Preparing the lid D. and side E. handles, page3-4

NOTE: Sewing Machines:

You must bring along with your sewing machines the following:

1. All sewing machine accessories, feet (referenced above), screw driver, etc.
2. Must have owner's manual for your machine
3. Bring 2 extra bobbins with no thread
4. Remember to bring the power cord and foot pedal

For those students who need Sewing machines please contact store personnel for availability of sewing machine rentals.
